BOLLARDS**

PROJECT

DESCRIPTION

Architectural designed high powered LED exterior bollard fixture, 24" height, 6" die-cast aluminum square shaped housing with four square shaped openings at the top of the bollard in powder coated black, brushed nickel or white finishes. Inside the top is our 120V AC LED technology concealed by a clear 5VA acrylic diffuser which radiates the light downward and throughout all openings and surrounding areas of the bollard. Certified ETL wet location listed and is available in two different heights.
