

# AJ Eklipta

Design: Arne Jacobsen

Concept: The fixture emits soft comfortable light. The glass is designed to provide a uniformly lit surface. The three-layer hand-blown opal glass shade has a transparent edge, providing a decorative halo of light around the fixture.

Finish: White, powder coated. White opal glass.

Material: Ceiling/Wall box: Spun aluminum. Diffuser: Handblown white opal glass.

Mounting: Surface: Mounted directly to finished surface over a recessed 4" octagonal junction box.

Weight: Max. 6 lbs.

Label: cULus, Damp location, Wet location. IBEW.
