Cityscape Vintage Platinum LED Pendant

Base Item #139725

Item #139725D-08-NO

With Vintage Platinum accents, this pendant offers an amazing "city view" no matter where you live. Our handcrafted Cityscape seems to be floating in mid-air. The visual concept is meant to evoke the image of skyscraper silhouettes situated on the waterfront (an LED platform) and reflected off the water below. A wash of beautiful up-and-down light graces this elegant fixture.
