

Project Name: _____ Type: _____ Quantity: _____

INTENDED USE

This low-profile round flush mount LED ceiling light, available in 11-inch, 14-inch, and 19-inch sizes, combines a sleek metal finish with a white acrylic diffuser for soft, even illumination. It features a 5-position field-adjustable color temperature selection (2700K, 3000K, 3500K, 4000K, and 5000K) and a high CRI of 90+ for superior color rendering. With lumen outputs ranging from 1,150 to 2,800 and wattages from 15W to 35W, these fixtures are versatile and energy-efficient. Compatible with TRIAC and ELV dimming, and suitable for damp locations, they are ideal for enhancing commercial, corporate, and hospitality environments.
