

FIXTURE SPECIFICATIONS

INTENDED USE

Alcon Lighting's LED disk light offers modern styling and functionality in lighting modern commercial interiors. The fixture affords 80 CRI direct and indirect light with 0-10V dimming and a color temperature switch that adjusts lighting between 3500K, 4000K and 5000K. With available remote emergency battery backup and an adjustable aircraft cable suspension kit, it's an ideal choice for offices, retail, lobbies, hotels and other modern commercial interiors.
